September 19-20, 2018
Stillwater, Oklahoma

About the 2018 MESO Lineworkers Rodeo & Safety Training:

Lineworker Rodeos are a tradition at public power utilities and state organizations across the country. Professionals come together in the spirit of friendly competition to demonstrate their skills and knowledge. Journeyman and apprentice lineworkers with varying degrees of experience gather in a safe environment to gain valuable experience.

Who Will Attend:

The annual MESO Lineworkers Rodeo will attract attendees from municipalities across Oklahoma and the region. MESO's event is unique because it includes important safety training to enhance the event. In addition to rodeo competitors, we expect leaders from various utilities to attend.
