Re: **Associate Membership, Directory Advertising, MESO Newsletter Advertising**

MESO ASSOCIATE MEMBER CONTRACT and ADVERTISING INFORMATION

As a trade association, MESO provides a wide variety of services to 63 member electric utilities in Oklahoma and 10 systems in neighboring states. In addition, MESO has many corporate associate members who show their support for public power through their support of MESO. For that reason we think associate membership for firms is good business. Our Associate Memberships are \$350.00 annually. For this, firms receive a listing in the newsletter plus a full page advertisement and an alphabetized listing in our 4.25" x 7" Pocket Directory, in addition to a reference when members call our office for information. Associates also receive opportunities to exhibit their products/services at conferences and they receive preference for speaking engagements on various topics of interest to our members.

MESO also publishes the ***Oklahoma Public Power*** newsletter. The newsletter is distributed monthly and has a circulation of over 750 people. It is produced in a color, 12-16 page electronic format. The mailed finished page size is 8.5" x 11". There are various forms of advertisement opportunities, please contact Deborah Miner-Gonzales at MESO for more information, 800-636-6376, 405-528-7564 or by e-mail deborah@meso.org.

If you are interested in being a part of public power in Oklahoma, complete and return the attached form. Contact Deborah Miner-Gonzales at MESO for more information, 800-636-6376, 405-528-7564 or by e-mail deborah@meso.org.
