

MESO Board offers Public Power Conference Scholarship

In August 2018, the Municipal Electric Systems of Oklahoma's (MESO's) Board of Directors established the Mike Nunneley Scholarship to recognize and honor Mike Nunneley. Mike served the public power communities of Granite and Mannford, promoting not only public power but also the value of professional management for Oklahoma's cities and towns. Mike was committed to the continuing professional education of municipal officials at all levels of government.

The Mike Nunneley Scholarship will be awarded annually to a deserving governing body official, appointed official or staff member from an Oklahoma Public Power community who **has not** attended a past MESO Public Power Conference. The scholarship covers conference registration, meals, and hotel room (2 nights). Recipient is responsible for transportation to and from the conference.

To apply for the scholarship, an applicant must provide an application letter to the MESO Board of Directors, attention General Manager. Applications should be submitted to MESO in one of the following methods:

Mail: Tom Rider, GM
308 NE 27th Street
Oklahoma City, OK 73105-2717

Fax: (405) 524-5095

Email: tom@meso.org

Attached are the submission requirements to be considered for the scholarship. Applications must be received by February 1, 2019 to be considered for the 2019 MESO Public Power Conference.

Questions should be submitted in writing to tom@meso.org. Nominations received after February 1, 2019 may not be considered.

Mike Nunneley Scholarship to the MESO Public Power Conference

The Mike Nunneley Scholarship is established by the Municipal Electric Systems of Oklahoma's (MESO's) Board of Directors to recognize and honor Mike Nunneley. Mike served the public power communities of Granite and Mannford, promoting not only public power but also the value of professional management for Oklahoma's cities and towns. Mike was committed to the continuing professional education of municipal officials at all levels of government.

The Mike Nunneley Scholarship will be awarded annually to a deserving governing body official, appointed official or staff member from an Oklahoma Public Power community who **has not** attended a past MESO Public Power Conference. To apply for the scholarship, an applicant must provide an application letter to the MESO Board of Directors no later than February 1 of each year for that year's Public Power Conference.

An applicant may apply directly, or an individual may submit an application on behalf of another person, with the understanding that the person being submitted meets all other criteria as described here-in. The applicant should provide a short one-page letter stating,

- Who they are
- How long they've served their public power community and/or public power communities in Oklahoma.
- What they hope to gain by attending the MESO Public Power Conference.

All application letters should be sent to the MESO General Manager in time to be received on or before February 1 of the application year. Any ONE of the following delivery methods is acceptable.
