MESO and the City of Claremore

Present

Utility Pruning Management and Vegetation Management

Proper Utility Pruning Management is important to all successful utilities. This two day MESO training session will provide attendees with an opportunity to learn from an Oklahoma Public Power expert in this critical area of operation.

This training session will cover work planning, what and when to prune, and safety. All MESO training is safety driven, so your employees will learn safe work practices.

October 17-18, 2018
