

MUNICIPAL ELECTRIC SYSTEMS OF OKLAHOMA

MESO Job Training & Safety (JT&S) Specialized Event Sponsorship Opportunities

MESO has provided specialized Job Training & Safety (JT&S) Events for decades. These events cover a wide variety of topics and attract Public Power professionals from municipal utilities across the State of Oklahoma and neighboring states.

Beginning in 2019, MESO will offer Associate Members an opportunity to interact with training attendees as a “LUNCH SPONSOR.” It’s simple, MESO will build the events and offer networking sponsorship opportunities during lunch.

MESO Job Training & Safety Specialized Event Sponsorship Opportunities

HERE IS HOW IT WILL WORK:

- All sponsorships will be accepted on a first paid, first served basis.
- MESO will make all lunch arrangements.
- Sponsorships include: lunch with the event participants & instructors; an opportunity to distribute company literature; and each sponsor will have a five-minute opportunity to introduce their company/product at the end of the lunch break.
- Sponsors will receive recognition at the event and on the MESO Facebook page.
- Each event will have a varying number of attendees so MESO will provide good faith estimates for planning purposes.
- For multiple-day events, sponsorships will be made available for each day.
