- Induced Voltage & Static
- Touch & Step Potential
- Lock Out / Tag Out Review

Public Works Departments

1.5 – 2 hours

- Lock Out / Tag Out Review
- Warning Labels & Sign Awareness
- Chemical Handling Safety

“Never say that you can't do something, or that something seems impossible, or that something can't be done, no matter how discouraging or harrowing it may be; human beings are limited only by what we allow ourselves to be limited by: our own minds. We are each the masters of our own reality; when we become self-aware to this: absolutely anything in the world is possible.”

– Mike Norton

Please mark your calendars for your scheduled meeting. We will send a reminder email before scheduled safety meetings and we ask that you please share the information with all staff.

Should there be a change due to weather or other unforeseen occurrence, we will contact the appropriate safety personnel by phone.
