

The OMA 2020 Fall WEBINAR Series

*The **Oklahoma Municipal Alliance** proudly presents a series of one-hour webinars addressing issues critical to the success of any municipal utility.*

All sessions are in one of the four categories:

1. Municipal financial stability and growth
2. Water and Wastewater issues
3. Electric growth and sustainability
4. Emergency planning for utilities

*Attend from your location;
FREE OF CHARGE*

Register at www.okmainc.com

OMA's mission is to enhance our members' value to their customers through industry best-practice programs and services.
